## INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
International Institute on Race, Equality and Human Rights

### Report on Financial Statements

We have audited the accompanying financial statements of International Institute on Race, Equality and Human Rights (the Organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Member, American Institute of Certified Public Accountants

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of International Institute on Race, Equality and Human Rights as of December 31, 2020, the related statements of activity, functional expenses, and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Report on Summarized Comparative Information**

We have previously audited the Organization's December 31, 2019, financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated August 24, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

### ***Other Matters***

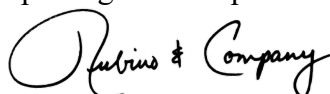

#### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated April 27, 2021, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

**INTERNATIONAL INSTITUTE ON RACE, EQUALITY AND HUMAN RIGHTS**  
**NOTES TO FINANCIAL STATEMENTS**  
**Year Ended December 31, 2020**

---

**1. Organization**

International Institute on Race, Equality and Human Rights (the Organization) is a nonprofit, non-stock corporation incorporated in the District of Columbia in November 2014. The Organization is an international, human rights capacity-building organization that works side by side with activists in Latin America to enhance their ability to promote and protect the human rights of marginalized and vulnerable people who suffer from discrimination based on their national or ethnic origin, sexual orientation, or gender identity.

**2. Summary of Significant Accounting Policies**

Basis of Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles, which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Measure of Operations

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Organization's ongoing services. Nonoperating activities are limited to resources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature. For the year ended December 31, 2020, the organization had no nonoperating activities.

**INTERNATIONAL INSTITUTE ON RACE, EQUALITY AND HUMAN RIGHTS**  
**NOTES TO FINANCIAL STATEMENTS**  
**Year Ended December 31, 2020**

---

**2. Summary of Significant Accounting Policies (continued)**

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting, whereby revenue is recognized when earned and expenses are recognized when incurred.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Organization considers all short-term interest bearing, highly liquid investments with original maturities less than 90 days to be cash equivalents.

Financial Risk

The Organization maintains its cash in bank deposit accounts, which at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant financial risk on cash.

Grants and Promises to Give

Grants and promises to give are carried at the original amount less an estimate made for doubtful accounts based on a review of all outstanding amounts on a monthly basis. Management determines the allowance for doubtful accounts by identifying troubled accounts and by using the historical experience applied to an aging of accounts. Promises to give are written off when deemed uncollectible.

Property and Equipment

Property and equipment purchases are capitalized at cost and depreciated on a straight-line basis over their estimated lives. The Organization capitalizes all property and equipment purchased with a cost of \$1,000 or more.

**INTERNATIONAL INSTITUTE ON RACE, EQUALITY AND HUMAN RIGHTS**  
**NOTES TO FINANCIAL STATEMENTS**  
**Year Ended December 31, 2020**

---

**2. Summary of Significant Accounting Policies (continued)**

Revenue and Revenue Recognition

A portion of the Organization's revenue is derived from cost-reimbursable federal grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Receivables related to grants awards are recorded to the extent unreimbursed expenses have been incurred for the purposes specified by an approved grant. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position.

Non-federal grants that are with or without donor restrictions are recorded as grant revenue in the year notification is received from the donor. Grants with donor restrictions are recognized as support without restriction only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Such funds in excess of expenses incurred are shown as net assets with donor restrictions in the accompanying financial statements.

Contributions received and unconditional promises to give are measured at their fair values and are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

Functional Allocation of Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the statement of activity. Accordingly, most costs have been allocated directly to programs and supporting services benefited. Such allocations are determined by management on an equitable basis. Salary expenses are allocated based on employee timesheets. Allowable fringe benefits are allocated based on salary expenses. Allowable overhead costs are allocated based on modified total direct costs. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and management of the Organization.

**INTERNATIONAL INSTITUTE ON RACE, EQUALITY AND HUMAN RIGHTS**  
**NOTES TO FINANCIAL STATEMENTS**  
**Year Ended December 31, 2020**

---

**2. Summary of Significant Accounting Policies (continued)**

Income Taxes

The Organization is generally exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, though it is subject to tax on income unrelated to its exempt purpose unless that income is otherwise excluded by the Code. In addition, the Organization qualifies for charitable contribution deductions and has been classified as an organization that is not a private foundation.

No provision for income taxes is required for the year ended December 31, 2020. The tax years ended December 31, 2017 through 2019 remain open for review for both federal and state purposes, and they have not been extended beyond the applicable statute of limitations.

Uncertainty in Income Taxes

The Organization has processes in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The Organization has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.

New Accounting Pronouncements – Future Periods

In February 2016, the FASB issued ASU 2016-02, *Leases*, which requires a lessee to recognize a right-of-use (“ROU”) assets and lease liability on the balance sheet for most lease contracts (which include those leases that are currently classified as operating leases under the current accounting standard). Additional disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from lease contracts. The standard will be effective for the Organization beginning January 1, 2022.

The Organization is currently evaluating the impact of the new standards on the financial statements.

Subsequent Events

Management has evaluated subsequent events through April 27, 2021, the date which the financial statements were available to be issued.

**INTERNATIONAL INSTITUTE ON RACE, EQUALITY AND HUMAN RIGHTS**  
**NOTES TO FINANCIAL STATEMENTS**  
**Year Ended December 31, 2020**

---

**3. Availability and Liquidity**

The following reflects the Organization's financial assets at December 31, 2020, reduced by amounts not available for general use within one year of the statement of financial position date because of donor imposed restrictions:

Financial assets at December 31, 2020	
Cash and cash equivalents	\$ 319,195
Grants and contributions receivable	112,881
Other receivables and advances	<u>3,266</u>
Total financial assets	435,342
Less amounts not available to be used within one year:	
Net assets with donor restrictions	<u>(162,754)</u>
Financial assets available to meet cash needs for	
general expenditures within one year	<u><u>\$ 272,588</u></u>

The Organization's goal is generally to maintain financial assets to meet 45 days of operating expenses. As part of the Organization's liquidity plan, excess cash is invested in short-term investments.

**4. Disaggregation of Revenue**

The Organization disaggregate revenue by revenue stream and customer-type.

Grants	
U.S. Government	\$ 1,959,182
International Organization	1,151
Private Foundation	<u>150,000</u>
	<u>2,110,333</u>
Contracts and other income	
Non-government	<u>5,303</u>
Total	<u><u>\$ 2,115,636</u></u>

**INTERNATIONAL INSTITUTE ON RACE, EQUALITY AND HUMAN RIGHTS**  
**NOTES TO FINANCIAL STATEMENTS**  
**Year Ended December 31, 2020**

**5. Grants and Contributions Receivable**

Grants and contributions receivable are expected to be collected within one year. No allowance for uncollectible grants and contributions receivable has been recorded, as all amounts are deemed fully collectible.

**6. Property and Equipment**

A summary of property and equipment at December 31, 2020, is as follows:

	Estimated <u>Useful Lives</u>	<u>Cost</u>	Accumulated <u>Depreciation</u>	Net <u>Book Value</u>	Depreciation <u>Expense</u>
Furniture and fixtures	5 years	<u>3,411</u>	<u>(2,107)</u>	<u>1,304</u>	<u>326</u>

**7. Operating Leases**

The Organization occupies office space in Washington, D.C. under a non-cancelable operating lease that expires on April 30, 2021. In addition, the Organization leases office space in Geneva, Switzerland, through May 31, 2021. The Organization also leases office space in Colombia through October 2021. As of December 31, 2020, the future lease payments for current leases totaled \$54,900 for the year ending December 31, 2021.

The Organization signed a new lease agreement in March 2021 for the period of May 2021 through July 2027. The following schedule reflected the total future minimum lease payments under the operating leases, including the new lease, at December 31, 2020:

Year ending December 31, 2021	52,800
2022	149,000
2023	154,900
2024	161,100
2025	167,600
Thereafter	<u>304,700</u>
	<u>\$ 990,100</u>

Rent expense for the year ended December 31, 2020, was \$134,174.

**INTERNATIONAL INSTITUTE ON RACE, EQUALITY AND HUMAN RIGHTS**  
**NOTES TO FINANCIAL STATEMENTS**  
**Year Ended December 31, 2020**

---

**8. Retirement Plan**

The Organization has established a tax-deferred retirement plan under Section 403(b) of the Internal Revenue Code. Employees who attained age 21 and work 20 hours or more per week are eligible to participate in the Plan. The Organization contributes 6% of each plan participant's compensation. The Organization may make additional discretionary contributions. All contributions are immediately fully vested. Pension expense was approximately \$41,000 for the year ended December 31, 2020.

**9. Major Grantor**

The Organization was substantially funded by grants from the U.S. Government; a reduction in funding from the U.S. Government would have a significant impact on the operations of the Organization. Revenue from U.S. Government grants for the year ended December 31, 2020, was approximated 93% of total revenue.

**10. Contingencies**

The Organization participates in a number of federally funded grant programs, which are subject to financial and compliance audits by federal agencies or their representatives. Management does not anticipate any significant adjustments as a result of such audits.

**11. COVID-19**

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. The United States and global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The Organization is closely monitoring its liquidity and is actively working to minimize the impact of these declines. The extent of the impact of COVID-19 on the Organization's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the Organization's customers, employees, and vendors, all of which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact the Organization's financial position and changes in net assets and cash flows is uncertain and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED  
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors  
International Institute on Race, Equality and Human Rights

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of International Institute on Race, Equality and Human Rights (the Organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 27, 2021.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of Organization's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Member, American Institute of Certified Public Accountants

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in cursive script that reads "Rubins & Company".

## INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors  
International Institute on Race, Equality and Human Rights

### Report on Compliance for Each Major Federal Program

We have audited International Institute on Race, Equality and Human Rights' (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Organization's major federal program for the year ended December 31, 2020. The Organization's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

### *Management's Responsibility*

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on compliance for the Organization's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

Member, American Institute of Certified Public Accountants

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

### ***Opinion on Each Major Federal Program***

In our opinion, International Institute on Race, Equality and Human Rights complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2020.

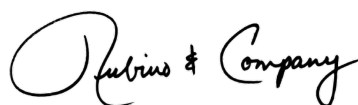

### **Report on Internal Control Over Compliance**

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in *internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**INTERNATIONAL INSTITUTE ON RACE, EQUALITY AND HUMAN RIGHTS**  
**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**Year Ended December 31, 2020**

---

**A. Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the schedule) includes the federal award activity of International Institute on Race, Equality and Human Rights (the Organization) under programs of the federal government for the year ended December 31, 2020. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). The principal estimates and assumptions used in the preparation of the accompanying schedule relate to cost allowability and allocability (Note B). Actual results could differ from those estimates.

**B. Federal Audits**

The allowability of certain costs under government grants is subject to audit by the contracting agency. Certain indirect costs charged to grants are subject to revisions based on government audits of those costs. Management believes that contract costs are consistent with applicable government cost principles, and that costs subsequently disallowed, if any, upon audit by the government would not be material.

**C. Summary of Significant Accounting Policies**

Expenditures reported on the schedule of expenditures of federal awards are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

**D. Indirect Cost Rate**

The Organization has elected to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.
